June 1963

"Family Day" June 15; Ticket Sales Brisk

Yankee Manager Ralph Houk symbolically dusts off stadium seat in welcome gesture to several members of Ballantine Family Day committee who visited the stadium to complete plans for June 15th Family Day. From left are Recreational Coordinator Robert Geiger, Joseph Stapleton, Charles Fox, "Rosey" Rosamilia, William Gollin and Frank Freibott.

Less than two weeks to go and tickets are 'getting scarce'—that's the word from the committee for the sixth annual Ballantine Employees' Family Day at Yankee Stadium, which is set for Saturday, June 15. The committee reports almost 2000 tickets sold and only a limited number remaining for employees and members of their families interested in taking part in the affair. The price per ticket is \$3.50 and it includes a reserved seat for the game and bus transportation to and from the stadium.

As a feature of this year's Family Day, the Ballantine Brewers, our new Drum and Bugle Corps which has already attracted a good deal of attention, will put on a performance on the ball field prior to the start of the game. The game will pit the Yanks against the Detroit Tigers.

Recreational Coordinator Bob Geiger reminds those who will take part in Family Day that the buses

will leave from the brewery at 12:15 p.m. for the trip to the stadium. They will return right after the game.

Geiger praised the work of the Family Day committee and said its activity was one of the reasons the Family Day trip has grown so increasingly popular.

Employees seeking to buy tickets for this year's Family Day should act fast—before the supply runs out. Committee members include: Lou Bennett, Sylvester Barrett, Mildred D'Alessandro, Anthony De Tore, Jim Degnan, William Dunne, Charles Fox, Frank Freibott, Casimir Gaska, William Gollin, George Leaver, William Meade, George Myer, Ken Johnson, Frank Pulidore, Tom Ratigan, Josephine LaVecchia, "Rosey" Rosamilia, Joseph Stapleton, Joseph Sagarese, Angus Jacobs, Morris Weingast, Francis Kelly and George Wilverding.

Dutch Adler Trio Set For Q-C Meeting

The famed Dutch Adler Trio and the Ballantine Three-Ring Chorus will provide the musical entertainment at the annual meeting of the Quarter-Century Club on Tuesday evening, June 18th.

At the annual meeting seventy-one employees, represent-

ing 1963's quarter-century group will be officially enrolled in the 25-Year Club. The 71 will bring total enrollment in the club to 571. Ballantine President Carl W. Badenhause will present gifts to the new members on behalf of the company.

TILLSON WINS SAFETY CONTEST

For the eighth time in fifteen years Tillson's driver-routemen have won first place honors in the annual Ballantine Branch safe-driving contest. The latest contest ended April 30th and Tillson won it the best way possible—a record of no chargeable accidents in 325,732 miles of driving.

The Hall, Maryland drivers (Prince George Distributing Co.) finished second, followed by Red Bank, Albany, Baltimore and last year's winner Washington.

Winners are determined on the basis of the highest percentage of improvement. The improvement marks are figured by comparing a branch's performance during the twelve months of the contest with its average safety record for the previous five years. Tillson, with no chargeable accidents last year, scored a 100 percent improvement.

The Hall, Maryland drivers registered a 54 percent improvement, Red Bank 40 percent, Albany 19 percent and Baltimore four percent.

During the contest year the branch men drove more than a million miles. Twenty chargeable accidents were registered, the same as last year.

The Tillson men have won several safety honors in recent years and registered a stretch of one million miles without a chargeable accident in a period running from August 1957 to March 1961. For winning the latest contest the men will be honored at a dinner in the near future at which officials of the Transportation Department will present the group with an award.

SUPERVISORS TEAM BOWLING CHAMP

The Supervisors team, captained by Alex Stupak, came from behind to win the company bowling championship in an exciting finish in the men's bowling league roll-offs on May 10th.

The Supervisors men had to nose out the Bottle Sales 2 squad for the title. The Salesmen had had a 53 pin lead as the fourth and final session began but they saw it blasted away as the Supervisors came on strong and won the last game, in head to head competition, by an impressive 989 to 898.

It was a rough game to lose for the Bottle Sales squad because it had jumped into the lead in the roll-offs right from the start and kept the edge until the fateful last contest.

Activity in the final game was very tight until the last two to three frames. In fact, the Supervisors men were down three marks going into the tenth frame.

(Continued on Page 4)

Self-Open Can, Carrier Going Into All Markets

CONVENIENCE PACKAGE—This is the package which will give Ballantine the one-two sales punch in the months ahead. It's the new self-open can in the plastic six-pack carrier. It'll be in all of our markets in time for the big fourth of July weekend.

The 12-ounce self-open can and the plastic six-pack carrier, two new packaging developments which passed Ballantine marketability tests with flying colors, will be introduced in all of our markets in time for the big fourth of July weekend.

While both new features won consumer approval in separate tests, Ballantine will combine the two to provide customers with the ultimate in convenience packages, the self-open can in the plastic six-pack carrier. This will mark the first time any brewer put the two together as a market item, and will give Ballantine a one-two punch in the big beer-selling months ahead.

The self-open can is a package which eliminates the need for can openers. Just by pulling a simple

aluminum tab the can is opened. No fuss, no bother, no strain.

The plastic carrier, which comes complete with a plastic handle, is made of high-grade flexible material, fits snugly over the can rims, carries the weight effortlessly and from it cans can be detached easily.

In our market tests consumers said they welcomed the new developments because cans were easier to open and easier to pour, proved ideal for fishing parties, beach parties, picnics, patio barbecues, and because the entire six-pack could be immersed in water to keep cool.

Dealers were enthusiastic about the new features because they make for better display and stacking opportunities, the packages cool faster,

(Continued on Page 3)

N. J. Beer Tax Not Increased

The New Jersey State Legislature recessed last month after voting for a tax program which did not include an increased beer tax.

Within the last few weeks of the session, the Governor and the legislative leaders decided to drop the beer tax increase proposal.

The Governor commented that he had received more than 2000 letters opposing a beer tax increase. Many legislators stated that they, too, had received a large volume of mail opposing an increase.

The results show the value of the individual efforts of each of us in communicating our feelings about the beer tax increase proposal to our Governor, State Senators and Assemblymen.

It was a job well done. However, let's not forget there is always the possibility that next year, or in another future year, a new proposal to increase New Jersey's beer tax will be presented. We can all do our bit to prevent this happening by explaining to others, whenever the opportunity presents itself, how important our industry is to our state and that an increase in the beer tax would jeopardize our jobs and the state's economy.

PINPOINTED...

Up The Ladder

Promotions in the news: *Dorothy Popek* from clerk to key punch operator, Data Processing . . . *Roderick Quayle* from relief salesman to bottle salesman, Washington Branch . . . *John White 3rd* from relief salesman to special salesman, Baltimore Branch . . . *Vincent Carcia* from merchandising representative to combination salesman, Albany . . . *Lloyd Genus* from bottle salesman to special salesman, Washington . . . *Irwin Lovitz* from bottle salesman to sales supervisor, Washington . . . *Christopher C. Cruise to Nassau

Mr. and Mrs. *Andy Hertling* (he's a former Ballantine employee who is part of a group of Ballantine retirees now living in Largo, Florida) recently took friends from Union, N. J. on a cruise to Nassau . . . Andy reports his friends brought him two cases of Ballantine Bock Beer, "which I am enjoying very much."

CARLOS ORTIZ HONORED IN NEW YORK CITY

New York City Mayor Robert Wagner welcomes Carlos Ortiz, world's lightweight boxing champion of the world, in a ceremony in City Hall marking the start of "Carlos Ortiz Day" in the big city. Carlos, who successfully defended his boxing title in Puerto Rico recently, is a Ballantine Public Relations Representative between bouts. The "day" for Carlos was observed early in May. Carl S. Badenhausen, Vice President-Marketing, represented Ballantine at the City Hall ceremonies along with a number of other Ballantine executives and sales personnel from both our Newark and New York City offices. Carlos was later a guest of honor at a luncheon for the press, a parade, and a reception.

NEW ARRIVALS

Mr. and Mrs. *John D. Thompson* announce the birth of a daughter, *Terri Leigh*. She weighed seven pounds, six ounces at birth. Dad works at the Baltimore Branch.

Mr. and Mrs. *William E. Kennedy, Jr.* announce the birth of a daughter in St. Mary's Hospital, Orange. She weighed seven pounds, seven ounces at birth. The Kennedys are also the parents of a son, *William*. Dad works in the Delivery Department.

Mr. and Mrs. *Edward Henahan* announce the birth of a daughter in St. Mary's Hospital, Orange. The Henahans are also the parents of four other daughters and three sons. Dad works in New Jersey Bottle Sales.

Mr. and Mrs. *Thomas Farrell*

announce the birth of a son, *John Mark*, on May 2nd in Mountainside Hospital, Montclair. He weighed 11 pounds. John Mark joins a sister, *Kathleen* in the Farrell household. Dad works in the Delivery Department.

Mr. and Mrs. *James Francis* announce the birth of a daughter, *Rosanne*, in Margaret Hague Hospital, Jersey City. She weighed five pounds, ten ounces at birth. Dad works in the Service Department.

Mr. and Mrs. *Robert Lescota* announce the birth of a daughter, *Adrienne*, on May 11th in St. Michael's Hospital, Newark. She weighed five pounds, six ounces. Dad works in the Warehousing Department.

Mr. and Mrs. *Edwin Olen* announce the birth of a son, *William Edwin*, in Margaret Hague Maternity Hospital, Jersey City. William weighed seven pounds, twelve ounces at birth. He joins a brother and a sister in the Olen household. Dad works in the Warehousing Department.

Mr. and Mrs. *George A. Dunning* announce the birth of a son, *Ralph Berti*, in Terrace Heights Hospital, Hollis, Long Island. The new arrival weighed six pounds, three ounces. He joins a brother and a sister in the Dunning household. Dad works in New York City Bottle Sales.

Mr. and Mrs. *Charles R. Clabaugh* announce the birth of a daughter, *Kelly Ann*. Dad works at the Prince George Distributing Co. (Hall, Maryland).

NEW JERSEY JAYCEES VISIT BALLANTINE

BALLANTINE JAYCEES — Ballantine members in the New Jersey Junior Chamber of Commerce are shown with *Jerry Burke*, fourth from left, State President, at beer party held for Jaycees in our cafeteria last month. Party was held in conjunction with the organization's state convention which took place in Newark. From left are *Bill North*, *Mike Grant*, *Joe Vecchione*, *Burke*, *Jack Lehive* and *Bob Geiger*.

Waiting For You

With summer less than three weeks away, most folks have already given their barbecue grills the once over, dusted off their portable lounge chairs, and checked the outdoor furniture, in preparation for parties, cookouts, etc. To help you enjoy the coming "outdoor" season to the fullest the Company is once again offering a free service to employees this year.

The service we're talking about is the loan of portable draught dispensing units. The matchless taste of Ballantine Ale and Beer poured right from the keg in your backyard is sure to add zest to any affair you're planning. To make arrangements to borrow a portable draught dispensing unit, call extension 581.

Last year more than four hundred requests for use of the units were received and all were honored. The heavy demand has already begun anew this year so you're advised to call well in advance of the time you need the equipment. By the way, if you've hesitated to borrow units in the past because you think they're too complicated to operate, hesitate no more. Instructions are provided and fellow employees who have already taken advantage of the opportunity will tell you how easy they are to follow.

While we're talking about affairs at which you can serve our brews, it's a good time to remind you that if you hear of any large scale affairs, both indoors and outdoors, pass the tip along to Walter Bauer of Special Sales on extension 526. As a member of an organization sponsoring a forthcoming affair, you can help make sure Ballantine will be served by recommending it to your organization's committee. If you're not a member of any group, tell any of your friends who are. Then call Mr. Bauer. He'll do the rest.

NOW AT THREE-RING SHOP

The employee Three-Ring Shop is featuring a special on seven-ounce beer cups, like the one shown at right, this month. A tube of 100 cups is selling for just 50 cents. They're perfect for both indoor and outdoor parties, etc. Picture at left shows the new "Storm Master", windproof, featherweight lighter, also now available at the Shop. The lighter sells for \$1.29. It is complete with a multi-colored engraving of the Ballantine trademark, weighs only one ounce and is made of anodized aluminum. The manufacturer considers it, "superior to any lighter, regardless of price."

Update Film Library

Answering the public's demand for more sports films, the Three-Ring Film Library has been completely updated and is now comprised entirely of outstanding sports films, many exclusive, covering a wide range of activities from football and baseball, to hunting, fishing and wildlife. To go along with the Recreation emphasis, the library's name has been changed to the Three-Ring Sports Film Library.

The library is a Ballantine service for organized groups, such as clubs, church groups, fraternal, service and civic organizations. A new catalog is being mailed to these groups.

The films are available on a free Chorus loan basis. They are 16 millimeter entertainment and most are in color. Employees of organizations can pick up a free catalog at the Three-Ring Shop. Requests for films should be in writing or by telephone. Be sure to give name of the organization, mailing address, phone number and name of

person responsible for the film showing. The extension to call is 657. Mail should be addressed to Film Library, P. Ballantine & Sons, 57 Freeman Street, Newark 1, N. J.

New Packages

(Continued from Page 1)

make for quicker identification on shelves, counters and in refrigerators, and most important of all, lead to increased sales.

To support the introduction of the new packaging developments, Ballantine has created a heavy promotion and advertising program.

The new self-open can will be marketed in addition to our conventional cans. Consumers will be able to take their choice. Which ever they choose, the same great beer will be inside. However, because the new self-open can lids are more expensive to buy from the manufacturer, the new package will sell at a slightly higher price.

Mr. Otto Says Thanks

I do wish to thank one and all for their many kind thoughts and good wishes for a quick recovery from my recent injury. They mean so much to one on the receiving end.

Otto A. Badenhause

PLAN NEW USES FOR PLANT 2

The transfer of the remaining production and shipping items from Plant 2 to our huge, new warehousing and packaging plant, set for this month, will pave the way for management studies to determine the best new Ballantine uses for the valuable Plant 2 buildings.

With space always at a premium, especially in a growing concern like Ballantine, the question is not what to put in Plant 2 but to choose wisely so as to gain the maximum utilization of the available structures.

The Delivery Department is already using part of the third floor in Plant 2 and the Service Department has a section of the first floor for its headquarters.

Two temporary buildings located east of Christie Street, and the railroad trestle from a spot near Freeman Street to Richard Street will be demolished in the near future. The area will be graded and route trucks will be parked there. The maneuver will make more room available for employee parking because the trucks parked in the Raymond Boulevard lot will be shifted to the new location.

at Baltimore four percent.

the contest year the branch ve more than a million venty chargeable accidents tered, the same as last year. Ilson men have won sev- y honors in recent years erved a stretch of one mil- s without a chargeable ac- a period running from 957 to March 1961. For the latest contest the men onored at a dinner in the re at which officials of the ation Department will pre- group with an award.

REVISORS TEAM BOWLING CHAMP

Supervisors team, captained by Kupak, came from behind to win company bowling championship in an exciting finish in bowling league roll-offs this month.

Supervisors men had to nose out Sales 2 squad for the title. Salesmen had had a 53-1 but they saw it blasted by the Supervisors came on to win the last game, in head competition, by an 899 to 898.

Married

Paul Skulitz, Brewer, was married to Rose Ascoli on April 27th in a ceremony in Newark.

Richard B. Farrell, Warehousing, was married to Ann McDermott on May 4th in a ceremony in West Orange.

George A. Frosch, N. Y. C. Sales, was married to Yolanda Peireyra on May 25th in a ceremony in Brooklyn.

Ballantine Brewers Corps Wins Parade Award

The Ballantine Brewers Drum and Bugle Corps marching in Asbury Park Parade. Corps won first prize trophy in the parade.

The Ballantine Brewers, our new Drum and Bugle Corps, won a first prize as the best senior drum and bugle corps in the Loyalty Day Parade held in Asbury Park on Sunday, May 5th.

More than 15,000 persons viewed the VFW sponsored parade in the New Jersey shore community.

The award was the second won

by the Ballantine Brewers in as many performances. The first was a blue ribbon presented at Belleville's Cherry Blossom Parade late in April.

The director of the group is nationally known Mickey Petrone, formerly of St. Vincent's Bayonne. Ed Wexner, business manager, accepted the Asbury Park trophy on behalf of the 70-man corps.

Close To Home

It is with sincere regret we report the death of the following co-workers in recent weeks:

John Hager, Sr., Pensioner. Mr. Hager started his Ballantine career in 1946 and was a Bottler prior to his retirement in April, 1958. His son, John Jr., is a Bottle House Machinist. Mr. Hager lived at 9 Hawkins Court, Newark.

Henry Stanke, Pensioner. Henry started his Ballantine career in August, 1933. He was a Bottler before his retirement in December, 1957. He lived at

920 Woodlawn Avenue, Linden.

Frank L. Kessler, Pensioner. Frank started his Ballantine career in July, 1942. He was a Yardman before his retirement in August, 1960. His son-in-law, Oscar Ressler, is a Draught Driver. Frank lived at 197 Alexander Street, Newark.

Karl Praml, Pensioner. Karl started his Ballantine career in March, 1927 and worked in the Engineering Department prior to his retirement in November, 1948. He lived at Zenting 13 B Bayern, U. S. Zone, Germany.

Happy Vehicle

Meet the "Smilemobile", newest addition to Ballantine's motor fleet. It will be used for special promotional activities and gets its name from our new advertising campaign theme, "You Get A Smile Every Time." The one-of-a-kind vehicle will soon be a familiar sight in New Jersey and even in more distant points. The "Smilemobile" made its initial run this week as part of its first activity, a "search for a smile" promotion in New Jersey's Essex County.

Brewery Belles Team Winner Of Girls' Bowling League Title

The Brewery Belles team, a new entry in the Girls' Bowling League this season, clinched the league championship on the final night of action, May 21st. The Belles went into the night with a game and a half edge over the second place Bikini Packs and needed just one victory to ice the title. They won two.

The Belles are captained by Elaine Sexton. The other team members are Maureen O'Regan, Nancy Reynolds, Judy Farrow and Vera La-Monica.

All five girls are not only celebrating their first season with the bowling league, all are also in their first year of full-time Ballantine employment.

They started the bowling season on the losing side of the ledger and quickly dropped to last place. They moved to the fifth position in the twelve team league within a few weeks and reached the first division soon after. Throughout the year the squad was only in first place a total of about six weeks, but it was there when it counted, mostly at the end of the season.

The Bikini Packs team ended second and the One Way Pints squad was third.

Individual league honors were won by Pat Saunders and Helen Miller. Pat earned the league's high game mark with a 215, and the highest accomplishment with daughter in St. Mary's Hospital, Orange. She weighed seven pounds, seven ounces at birth. The Kennedys are also the parents of a son, William. Dad works in the Delivery Department.

Mr. and Mrs. Edward Henahan announce the birth of a daughter in St. Mary's Hospital, Orange. The Henahans are also the parents of four other daughters and three sons. Dad works in New Jersey Bottle Sales.

Outing Spirit Not Dampened By Weather

Occasional rain failed to spoil the fun at the annual men's bowling outing last month. Joined by two bus-loads of retirees, who were guests at the affair, the men bowlers enjoyed the rainy periods in a large sheltered area.

The area was so big that a number of the outing contests were held there. Picnic tables and plenty of

good food and Ballantine rounded out the day. The retirees spent their time renewing acquaintances with fellow workers still on the job.

The feature of the day was the awarding of trophies to the men who had earned them in the recent bowling competition. Mr. Carl W. Badenhausen made the presentations.

One of two bus-loads of retirees who accepted invitation to take part in annual bowling outing. All retirees were invited but rainy weather cut down number who attended.

In a large sheltered area, the bowling outing participants forgot about the weather and concentrated on having a good time.

COMPANY CHAMPS — Members of the Supervisors Team, Men's Bowling League championship squad, hold trophies awarded at the bowling outing. Standing are Bill Walzer, Chet Karnas and George Turner. Kneeling, Charles Howard and Bill Donovan. Captain Alex Stupak was on vacation when photo was taken.

Title To Supervisors Team

(Continued from Page 1)

The final roll-offs scores were: Supervisors, 3870; Bottle Sales 2, 3836; Six Pak, 3801; Bottle Drivers 25, 3741; Golden Harvest, 3694; Draught Platform 5, 3591; and Brooklyn Drivers, 3575.

The Supervisors represented the Extra Fine Division in the roll-offs. Bottle Sales 2 represented the Three Ring Division; Six Pak team, the Purity Division; Bottle Drivers 25, Flavor Division; Golden Harvest, Handy Division; Draught Platform 5, Body Division; and Brooklyn Drivers 1, Ale Division. Each had to win its respective division title to get a roll-offs berth.

Coincidentally, the Supervisors squad also won its division title the hard way. The Supervisors combine, which includes Bill Donovan, Charles Howard, Chet Karnas, Bill Walzer and George Turner, in addition to captain Stupak, edged out the Pipe Shop team on the final night of regular season action and won the division title by a slim one

game.

The Pipe Shop team was last year's company champion while the Supervisors had won the title the year before. This year's win by the Supervisors makes the third year in a row the Extra Fine Division entry finished in the number one spot, and the second time in three years the Supervisors brought home the championship.

The game by game roll-offs scores for the first three finishers read this way: First game: Bottle Sales 2, 1016; Six Pak, 998; Supervisors 967. Second game: Bottle Sales 2, 2022; Supervisors, 1968; Six Pak 1962. Third game: Bottle Sales 2, 2938; Supervisors, 2881; and Six Pak, 2848.

The Supervisors' 91 pin victory over Bottle Sales 2 in the final contest was the clincher. As it happened the winners only bowled against the Bottle Sales men that last game of the roll-offs. As far as the Sales men are concerned — it was one game too many.

FIRST RUNNER-UP — The Bottle Sales 2 bowling team, first runner-up in the Men's Bowling League roll-offs last month. The Sales squad led for three games of the roll-offs but lost the championship to the Supervisors team in the final round. From left are Carmine Maccarone, Mike Riley, Henry Loniak, Howard Card and Bill Cordes.
